Ex-Students Hold Meet

Editor's Note — The Alumni Office recently received correspondence telling of a meeting of former students. We would like to hear of other groups doing likewise. The letter follows:

27 January 1960

Mr. Leroy S. Miller,
Secretary, Alumni Assn.
Northwestern State College
Natchitoches, Louisiana

Dear Mr. Miller,

A group of alumni of "Louisiana State Normal" gathered informally in New Orleans. The purpose was to dance and to eat and to reminisce.

Each person gave a contribution to defray expenses. We thought we had it figured to the penny, yet when the bank sent our statement, we had a balance unspent. The enclosed check represents this balance, which is contributed to the Association.

With every good wish for success, we remain,

Sincerely,

Mrs. R. E. Lee
(Virginia Lee Marmande)

Mrs. L. B. Hughes
(Beverly Dumestre)

Major Elaine T. Carville

Receives Doctorate

Allan T. Steele, professor of business, received the Ph.D. degree in accounting from the University of Texas at the close of the fall semester at the University. Although now official, the degree will not be formally conferred until May, as the University has only one commencement each year.

Summer Institute Planned In Biology

The Department of Biological Sciences at Northwestern State College and the National Science Foundation will again jointly sponsor a Summer Institute for teachers of biology, June 6 to Aug. 7.

A NSF grant makes generous stipends available to public school teachers who successfully apply for participation in the Institute.

Dr. W. G. Erwin, professor and head of the Department of Biological Sciences, will direct the program.

Cagers Look Toward One of Top Records In School's History

Coach Huey Cranford's basketball squad at Northwestern State College appears headed for one of the finest campaigns in the school's history.

The Demons are 20-4 for the overall season and 6-1 in Gulf States Conference competition. The GSC record finds NSC in first place. The overall record is the best among colleges and universities in Louisiana.

High spots of the season so far include the Demons' winning of the sixth annual Shreveport Gulf South Classic championship, a revenge victory over Southwestern Louisiana Institute, and a resounding 90-71 victory over arch-rival Louisiana Tech.

Spring Enrollment Indicates Increase

Incomplete enrollment figure for the spring semester has been announced as being 2629. This is an increase of 194 students over the record set in the spring of 1959, which was 2435.

Breakdown by schools is as follows: Applied Arts and Sciences, 579; Arts and Sciences, 393; Education, 1133; Nursing, 350; and Graduate 174. All schools showed an increase.

Appeal Made

The Alumni Office is seeking copies of Normal catalogs for the years 1885 through 1920. The Association will appreciate receiving these publications, should you be in possession of one or more.

GULF STATES CONFERENCE BASKETBALL CHAMPS

The Northwestern State College Demon basketball squad, champion of the Gulf States Conference and winner of the sixth annual Gulf South Classic Tournament, pose with both the coveted trophies garnered during the 1959-60 campaign just ended. They are, left to right (back row), Phillip Haley, Richard Pullig, Truitt Weldon, Jimmy Adkins, Bill Stewart, Kenneth Moran, and Coach Huey W. Cranford; (sitting) statistician Pat Williams, Larry Skinner, Gene Wright, Ed Hunter, and Lovick Johnson; (kneeling) assistant manager David Knott and manager Benny Arthur.

Demons Win Gulf States Conference Basketball Title With Balanced Effort

There were two championship trophies available for Northwestern State College's 1959-60 basketball Demons. Both trophies now rest comfortably in the NSC athletic trophy case.

The record book is closed on the past cage season, but the most recent page is one of the brightest in the long and illustrious hardwood tradition for the Demons. Most-prized honors of the past campaign are the Gulf States Conference championship and the sixth annual Gulf South Classic tournament crown.

A 23-5 record for the full season equalled the greatest number of victories for any regular campaign. The previous high of 23 was set in the 1952-53 season, when the Demons finished with a 23-9 record. Thus, the past year's record represents the best, percentage-wise.

Picked in a pre-season poll to finish third in the GSC, the De-

mons posted an 8-2 circuit record to take sole possession of the title. It was the first outright crown since the GSC's initial 1948-49 year, although the Demons have shared several in the interim.

Victory streaks of seven and 14 furnished impetus for the championship effort. Excellent team balance and an aggressive desire to play the game characterized the Demons throughout the year.

Only one starter, team captain Bill Stewart, was a senior and will be lost to the squad for next season. The other senior was reserve Jimmy Adkins. Thus, the outlook for next year's squad, with the championship returnees and expected added newcomers, looms bright.

On the way to the conference title, the big victories for the Demons included a whopping 90-71 rout of Louisiana Tech, a double-overtime 59-57 victory over Mc-

ALUMNI FAMILY OF THE MONTH

OUTSTANDING ALUMNI FAMILIES — The Woodrow Waller family: (left), A. O., Woodrow and Thomas; The Donnie Waller family: Stephen, Kathaleene, Donnie, and Jeffery.

EDITOR'S NOTE: This is the first in a regular monthly series of features on outstanding alumni and their families. Families to be featured in the two issues remaining this year have already been selected; however, suggestions for families to be featured next year will be welcomed.

Although Northwestern was once primarily a teacher-training institution, the College has turned out and is turning out outstanding graduates in fields other than professional education. This is evidenced by the Waller families, who have made a place for themselves in the business, civic, and social life in Haynesville.

Mr. and Mrs. Donnie Allen Waller reside at Price Drive in Haynesville, with their two sons, Stephen, 12, and Jeffery, 5. Donnie and Mrs. Waller, the former Kathaleene Morrow, are 1941 graduates and were married that same year.

Following graduation, with a degree in business education, Donnie was employed in Alexandria prior to serving a hitch in the Navy from 1942 to 1945. Upon release from the service, he was employed in Shreveport and later in New Orleans.

In April, 1953, Donnie purchased the Ford agency in Haynesville, where he has been successful in business and active in civic and church work. He is past-president of the Haynesville Lions Club and the Haynesville Industrial Development Corporation. He is a member of the official board of the Methodist Church, is a thirty-second degree

Mason and Shriner, and is active in Boy Scout work.

Mrs. Waller received her degree in home economics and taught for several years in Calcasieu, Claiborne, and Caddo parishes. Since that time she has always found time for church and community affairs in addition to her full-time job of homemaker, wife, and mother.

A frequent speaker for organizations in her city, as well as adjoining towns, Kathaleene spoke before the National Vocational Association convention in Philadelphia in 1957 as representative of the Homemakers Association. In 1959, she was awarded a Life Membership in the Future Homemakers of America in recognition of her contributions to that program.

Stephen is nearing completion of work for his Eagle Scout Badge.

Mr. and Mrs. Woodrow Waller are also active members of the Haynesville community. Woodrow is cashier at the Haynesville Planter's Bank and Trust Company; and Mrs. Waller, the former A. O. Kelly of Natchitoches, is a fifth-grade teacher at Haynesville Elementary School.

Woodrow graduated from Normal in 1936 and taught in the Claiborne Parish school for five years prior to serving more than three years with the U. S. Army. Upon his discharge from military service, he became affiliated with the Haynesville bank.

He is active in the work of the First Baptist Church and is presently acting as chairman of the Deacons Committee in addition to teaching a men's class and serving as Superintendent of the Sunday School. He is also secretary-treasurer of District V, Baptist Convention.

A past-president of the Haynesville Lions Club, Woodrow served a four-year term as a member of the City Council. He is also a member of the Board of Directors of the Northwest Louisiana Clearing House Association and past-president of the Louisiana Conference of the National Association of Bank Auditors and Comptrollers. He has held offices in Masonic bodies and served as chairman of virtually all fund drives at one time or another. He is district committeeman of Norwela Council, Boy Scouts of America.

A. O., who married Woodrow in 1938, is also active in church and civic work. She earned a degree in 1935 from Northwestern with a major in English and social sciences. She teaches a Sunday School class and is past-president of the Women's Missionary Union of the Haynesville Baptist Church.

Woodrow and A. O. have one son, Thomas Kelly Waller, age 12, who is making plans to attend the National Scout Jamboree in Colorado in July.

A third Waller brother, Broddie, '37, and his wife, the former

Association Directors Honor Leroy Miller

Leroy S. Miller, who recently retired as Secretary of the NSC Alumni Association, was honored last month by a resolution drawn up by the Board of Directors of the Alumni Association.

The resolution reads as follows:

WHEREAS, in this outstanding service he has helped to promote good will and increase the prestige of Northwestern State College, and

WHEREAS, the President, Members of the Board, Faculty, and Student Body have found in him an honest, loyal friend, wise counselor, and an excellent civic-minded citizen in every way:

THEREFORE BE IT RESOLVED that while we regret to lose his service as our able secretary, we feel that the college, and especially the students of the mathematics department, are most fortunate in securing his service as a full-time teacher.

BE IT FURTHER RESOLVED that a copy of this resolution be spread in the minutes of the Board and a copy presented to Mrs. Miller, who has been so faithful and helpful to him during his years of service.

Katherine Powell '38, of Natchitoches, live in Lubbock, Texas.

Broddie is district manager of the Chevrolet Division of General Motors Corp.

Broddie and Katherine have three daughters. Mary Worth is a junior student at Texas Tech. Vickie and Pamela are both high school students.

The Wallers are to be congratulated on the fine records that they have made. They may be assured that Northwestern is quite proud to have them listed as alumni of the institution.

BASKETBALL—

(Continued from Page 1)

Neese in Lake Charles, and a revenge victory over SLI, who had set the Demons back in the circuit opener.

In winning the sixth annual Gulf South Classic crown, the Demons whipped Hardin-Simmons University, George Washington University, and Eastern Kentucky. Other teams in the tourney field were Washington University, Hamline University, Louisiana Tech, and Centenary.

Just as in the race for the conference championship, the Demons had been given little chance to walk off with the coveted tourney trophy.

It was a spotless slate for NSC in its home gym, all five of the setbacks coming on the road. Three were on an early season tour of Kentucky and Tennessee—to Middle Tennessee, Tennessee Tech, and Sugar Bowl Champion Western Kentucky.

The other two losses were to conference foes SLI and Louisiana Tech by narrow margins. Both these, however, were avenged with 16 and 19-point decisions, respectively.

Teamwise, the Demons outscored their 28 foes in every phase of play, including a most important one—fewest personal fouls—where the Demons committed 530 to their foes' 578. NSC had the edge in total points, rebounds, and both field-goal and free-throw percentages.

ATTEND TESTIMONIAL DINNER—Those attending the informal testimonial dinner for Joe W. Webb in the Towne House restaurant in Natchitoches on Feb. 22 included the following Parish School Superintendents: (left to right, standing) C. C. Graham, Natchitoches Parish; K. R. EDUCATORS HONOR ALUMNI SECRETARY WITH TESTIMONIAL DINNER FEBRUARY 22

A group of Parish School Superintendents honored Joe W. Webb, who became Alumni Secretary and Director of Placement Service at Northwestern State College in February, with an informal testimonial dinner Monday night, Feb. 22, at the Towne House restaurant.

Roy Alford, Superintendent of Sabine Parish Schools, conceived the idea of the dinner as a means of welcoming Webb into the new position and of giving ready expression to their feeling of confidence in Webb's ability to fulfill the increasing obligations of his position.

Leroy Miller, who recently resigned as Alumni Secretary after having served in that capacity for 28 years, was also an honored guest in recognition of the outstanding service he rendered.

In addition to Alford, superintendents attending were: K. R. Hanchey, Beauregard; Allen H. Plummer, DeSoto; C. C. Belgard, Grant; C. C. Graham, Natchitoches; A. L. Sigler, Red River; and C. R. Sanders, assistant superintendent, Rapides Parish. Former Parish Superintendents attending include E. A. Lee, Natchitoches; and S. M. Shows, DeSoto.

All but Belgard and Plummer are graduates of Northwestern State College. Plummer attended Northwestern, but received his bachelor's degree from LSU.

Alford, who served as toastmaster for the occasion, praised Miller for the work that he has done as Alumni Secretary and in the Placement Office, and expressed his confidence in Webb as being an excellent selection to fill the position.

Following Alford's commendation, each superintendent reminisced briefly about the "good old days" and praised Webb, Miller, and the institution.

President John S. Kyser and Dean of Administration Sylvan W. Nelken both expressed their appreciation to the group for their service to Northwestern and expressed a wish for their continued support.

EASTER HOLIDAYS

Northwestern State College will observe Easter holidays beginning noon, Thursday, April 14 and continuing through April 18. Classes will resume at the regular opening hour on Tuesday, April 19.

Southerland has recently been honored with a citation award as runner-up in the nation for Principal of the Year. He is president of the Northwestern Administrators Club, president-elect of Rapides Parish Teachers' Association, member of the State Advisory Board on Teacher Certification, and an active participant in many other educational, civic, and religious activities.
